Employee of the Month

Jackson Keeps State Fleet Rolling with Her Dedication

Leigh Jackson, an Office Assistant III for the Fleet Management Division (FMD), has been selected as the Department of Administration’s Employee of the Month for November.

A state employee for seven years, Jackson has been with FMD for two of those. Her duties include managing the Capitol motor pool, which makes her the first point of contact for state employees who want to rent a vehicle. She coordinates the training of state employees on the use of the Fleet Commander program, troubleshoots issues, keeps the vehicles clean and sanitized, takes care of the maintenance, and makes sure the program is successful in all attributes.

“Leigh always makes sure all her bases are covered no matter her situation. She is very conscious of her position and makes sure each of her customers has a complete understanding of our reservation processes,” said the co-worker who nominated her. “I can always count on her to make sure all deadlines are met, and that her job responsibilities are exemplary. She is highly resourceful and always eager to assist her co-workers in any situation.”

When she’s not working, Jackson enjoys spending time with her children. She also enjoys woodworking, including building shelves, tables, or holiday projects for her family.

Jackson will be joined by friends and co-workers at a special ceremony presented by Cabinet Secretary Mark D. Scott on Wednesday, Nov. 9, 2022, at 11 a.m. at the FMD offices in Building 17.

West Virginia Earns ‘B’ in Digital States Survey

The Center for Digital Government (CDG) has announced the results of its 2022 Digital States Survey, a biennial evaluation of the information technology (IT) practices of all 50 states.

Since its inception 25 years ago, this biennial e-survey has helped benchmark state government use of digital technologies to improve service delivery, increase capacity, streamline operations, and reach policy goals. The survey assigns a letter grade based on quantifiable results.

State employees have until Dec. 16, 2022, to donate through payroll deduction to the United Way’s West Virginia State Employee Combined Campaign (WVSECC) to help aid youth, families, neighborhoods, and aging populations. Payroll deductions begin Jan. 1, 2023.

As we enter into the cold months, please also consider donating your gently used coats. This will be an ongoing effort, and coats will be accepted over the next couple of months. You can give your coats to your agency’s campaign coordinator or place them in the box located inside the Department of Administration’s Cabinet Secretary’s Office in Building 1’s East Wing. Last year, the United Way of Central West Virginia distributed more than 1,000 coats to individuals in need.

Should you have additional questions regarding the campaign, you may reach out to Department of Administration Campaign Coordinator Marsha Bowling at Marsha.L.Bowling@wv.gov or to your agency’s campaign coordinator directly. Agency coordinators are listed below.

Last year, the United Way of Central West Virginia assisted 79,025 individuals, including 14,882 children. Past campaigns in West Virginia have been just as successful, and state employees are encouraged to give again this year. Go to www.unitedwaycwv.org/give-now for ways to donate.

The Department of Administration collected new socks for the United Way as part of its Sock-tober campaign.

CPRB Receives National Public Pension Award

The West Virginia Consolidated Public Retirement Board (CPRB) has been awarded the 2022 Public Pension Standards Award. This award, offered by the Public Pension Coordinating Council (PPCC), recognizes public retirement organizations that meet or exceed professional standards in plan funding and administration.

“T’m very excited for the Consolidated Public Retirement Board to receive this prestigious award,” said CPRB Executive Director Jeffrey Fleck. “West Virginia’s public pension plans are among the best-funded and administered plans in the country, and this award just validates the hard work and dedication of our wonderful employees. We take pride in our motto: ‘Serving those who serve West Virginia.’ We also thank Gov. Jim Justice and the West Virginia Legislature for their support.”

The PPCC is a coalition of three national associations that represent retirement systems and administrators.

The Public Pension Standards reflect minimum expectations for public retirement systems management and administration and serve as a benchmark by which all defined benefit public pension plans should be measured.
Employees who stand out from the crowd get more than a framed certificate each month. Those who are chosen as the Department of Administration’s Employee of the Month (EOM) award receive a bonus of $600 before taxes, with an opportunity for an additional monetary award of $2,500 before taxes if chosen as the Employee of the Year.

The nomination form can be found online at [https://bit.ly/3TFeQHb](https://bit.ly/3TFeQHb). When completing this form, employees should be as detailed as possible as to why this individual should be selected as the Employee of the Month.

The selection committee, which includes representatives from each Department of Administration agency, will review the application based on the following criteria:

- How your nominee produces work-related service that is above and beyond normal expectations;
- How your nominee promotes harmony with co-workers;
- How your nominee promotes a positive image of the Department/Section/Unit;
- How your nominee demonstrates exemplary work standards through initiative, creativity, assistance, and professionalism;
- How your nominee presents a helpful/cooperative attitude;
- How your nominee demonstrates exemplary use of time (including work time and leave use); and
- How your nominee improves their community.

**Department Employees of the Month Earn Bonus**

The children of the Public Employees Day Care made their way through the Capitol on Oct. 21, 2022, as part of their annual trick or treat march. As they entered the building, they passed by the Department of Administration’s main office, where staff celebrated the many creative costumes and passed out candy.

West Virginia has achieved an overall grade of “B” in the 2022 Digital States Survey. The grade of “B” reflects a state with technology leaders who use appropriate, consistent, and standard good government practices in all aspects of state operations, governance, and administration.

In the 2022 Category Awards, West Virginia received third place for exemplary work in Connected Infrastructure, which recognizes that the state has provided comprehensive information technology enabled services – computing, storage, and networks.

“Technology is now woven into the fabric of government services and operations,” said West Virginia Chief Information Officer Josh Spence. “The Digital States Survey highlights the best and emerging technology practices, creating opportunities for sharing and collaboration among the states. The Justice administration is committed to effectively leveraging technology in the delivery of government services.”

Applications for 2023 Cohort Program Due December 1

New supervisors and managers who have not taken the required DOP-P18 courses are eligible to apply for the Division of Personnel’s (DOP) Cohort Program. Successful applicants move through the courses as one group over the course of one calendar year. In addition, participants are eligible to receive one-on-one coaching and support from the Organization and Human Resource Development’s (OHRD) Training and Development staff.

To apply, follow these steps:
1. Complete a Cohort Application Form (Cohort 2023 Application Deadline: Dec. 1, 2022). As you complete your application in Google Forms, be sure to put your direct supervisor/manager’s email address. This will ensure that your application successfully makes it to the next step (i.e. your supervisor’s approval).
2. Ensure your direct supervisor receives and submits his/her approval of your application WITH comments of support for your application to be considered complete. This approval form will be submitted to your supervisor via email after you submit your application and will include instructions on how to correctly complete this step. Applications that do not have both supervisor approval AND comments of support will be returned to you to resubmit.

The cohort program was created to provide an opportunity for new state government managers/supervisors to quickly enhance their management practices in an environment that fosters relationship building and facilitates completion of all DOP-P18 requirements within one year. In order to achieve these goals, it is imperative that each participant attend all sessions. Participant may be asked to leave the cohort if they cannot complete and attend the required courses.

If you have any questions regarding Cohort or the application process, please contact Kim Schleicher at Kim.A.Schleicher@wv.gov. A Cohort Program Information webinar will be conducted on Nov. 4, 2022. During this webinar, attendees will hear from OHRD staff and past Cohort participants as they detail the application process and program requirements and what it means to be a part of a cohort.

First Lady Cathy Justice is inviting all West Virginians to participate in holiday activities by creating decorations for Christmas trees at the Culture Center.

All kindergarten through 12th grade students who attend public, private, or home schools are encouraged to create a “Nutcracker” themed ornament for a tree that will be on display at the Culture Center in Charleston during the holiday season. Ornaments will be classified in four divisions according to grade: K-2, 3-5, 6-8, and 9-12. Each ornament will be individually judged, and four winning classes will be selected, one from each division. In January 2023, the winning ornaments will be donated to the West Virginia State Museum for a permanent collection. The four winning classes will receive a gift card to help purchase supplies for their class. Ornaments must be received by Nov. 18, 2022, to be eligible for judging.

In addition, all West Virginians aged 19 years and older are invited to participate in the 2022 Best Bow Christmas Contest. Eligible West Virginians are encouraged to create their best Christmas bow, which will be hung on a special “bow tree” at the Culture Center. The three winning bows will receive a cash prize. In January 2023, all of the bows will be donated to an assisted living facility, hospital, or veterans’ organization. Bows must be received by Nov. 18, 2022, to be eligible for judging.
